Zoom Survey questions

1. What was your overall impression of the workshop? Excellent, Good, Medium, Below average
2. The information provided during the workshop met your expectations? Exceeded, Yes, Somewhat, No
3. Would you attend future events of this type? Yes, No
4. What was the best part of the training?
5. Things that can be improved?
6. Your quote, which we can use to promote future events!
7. On what Oracle Integration customer opportunities are you working? (please name customers)
8. How can we better support you?

Integration Bootcamp

Day 1

Facilitator

Present an overview of the bootcamp (5 minutes)

- Objectives
- Class schedules
- Basic logistics (e.g., Slack Channel)

Present OIC Overview (10 minutes)

- This should be a shortened version of Chris Peyteir's Oracle Integration Overview video

What's New (10 minutes)

- Explain new features, documentation along with Oracle Assistant.

Lab Logistics and Integration Demo

- Walkthrough lab logistics (e.g., email, spreadsheet) - 5 minutes
- Do the Subscription Management Integration lab - 30 minutes
    - Highlight use case and the power of the platform for digital transformation (e.g., integration, process automation, insight, visual builder) - 15 minutes
    - Highlight lab logistics (e.g., environments, user number, copy text, etc.) - 5 minutes
    - Highlight product logistics and value adds (e.g., adapters, activation, testing, activity stream) - 10 minutes

Day 2

Facilitator

Host Day 1 feedback and Q&A - 10 minutes

High-level walkthrough of labs including use case and key points of the labs - 50 minutes. Please feel free to use ERP-Cloud Integration ppt as an anchor to demonstrate your lab exercises.

- Events lab - 15 minutes
- Extracts lab - 10 minutes
- FBDI lab - 15 minutes
- BIP lab - 10 minutes

Day 3

Facilitator

Host Day 2 feedback and Q&A - 10 minutes

High-level walkthrough of labs including use case and key points of the labs - 35 minutes. Please feel free to use HCM Cloud Integration ppt as an anchor to demonstrate your lab exercises.

- Synchronization lab - 10 minutes
- Import lab - 5 minutes
- Visual Builder lab - 5 minutes, please use the URL provided in the spreadsheet
- Insight lab – 15 mins(Lab guide will be sent via email)

Partner Support by Juergen – 15 mins
